

Harry C. Bailey

Professional Profile

Thirty-five years of documented success as a Law Enforcement Officer with increasing levels of responsibility. Extensive experience in working in partnership with local, regional, state and federal agencies to address crime and crime related issues. I represented the Seattle Police Department on a national level, including with Major Cities Chiefs Association, International Association of Chief's of Police, National Organization of Black Law Enforcement Executives and managed the City's Weed-n-Seed federal grant for several years. Some of the skills that I have developed over this time include:

- Crime Scene Investigation
- Emergency Vehicle Operations
- Interviewing techniques
- Crowd Control
- Policy Development
- Developing and monitoring budgets
- Public Speaking and Oral Presentation Skills
- Strong Interpersonal and coaching skills
- Program Development
- Grant Monitoring & Compliance
- Community Engagement & Partnership
- Personnel Management
- Assessment and Intervention as it relates to at risk youth
- Vice President of Seattle Police Officer's Guild

Director of Security:

Responsibilities:

- Seeing to the welfare of the players and coaches of the team while at any of the facilities or at opponent facilities.
- Develop security plans for regular situations, and also possible “hostile” situations. This insures keeping all involved with the organization safe.
- Work in conjunction with Seattle Police for additional security as needed.
- Transition of team from Seattle to Oklahoma City where I developed numerous safety plans.
 - Including airport parking for road games.
 - Parking at facility.
 - Hiring security for practice facility.
 - Hiring maintenance crew for practice facility.

Seattle Police Department
Seattle, WA
1972 – 11/2007

Achievements:

- One of the 1st awarded Director of the Year through National Weed-n-Seed Program
- Named Community Ambassador through the Seattle Works! Program
- Many other city, community and state awards

Responsibilities:

- Monitor and oversee 3 of the 5 Precincts as well as the Traffic Section for the Seattle Police Department
- Develop and oversee \$60 million budget
- Responsible for compliance with City, State, and National employment rules and regulations

- Respond to Crime Scenes to oversee on-scene response, media messaging, and resource deployment
- Member of the Seattle Police Department Leadership Team, which develops policy, priorities and makes major decisions about the day-to-day function of the department.
- Represent the Department at various community meetings, inter-departmental teams and other gatherings that impact how the community responds to the police.

Education:

- AA degree from City University
- Multiple training and personal development from Department of Justice, State Law Enforcement Commission and other local and regional courses
